

Prague, CZ, Logistics for the Meeting of ISO/IEC JTC 1/SC 34/WG4, 2018-03-06/08

Rex Jaeschke (rex@RexJaeschke.com)

2017-12-14

Attached is the logistics document from our previous meeting in Prague. Except for the suggested hotel rates, the other information is still relevant for this new meeting.

The easiest way to get downtown from the airport is to take the CEDAZ Airport bus (see below). It terminates near numerous hotels, all of which are a 10–15-minute walk to the meeting place.
